

DIPLOMA

DIPLOMA is an energetic 5 piece punk band, pulling members from around the Commonwealth (Aus, Can, NZ). Their unique style coalesces around a common love for aggressive, melodic, sincere music and artistic expression.

With influences as global as their membership, in DIPLOMA you can hear elements of Moneen (CAN) Clowns (AUS) and Kitsch (NZ). These varying styles give DIPLOMA a unique sound united by a common commitment; to *deliver honest art as intensely as possible, leaving it all on stage.*

DIPLOMA has been a regular booking for punk shows and festivals in Melbourne throughout 2016. DIPLOMA's growing fan base has been built off the back of their fierce live performances and engaging social media presence.

DIPLOMA's debut EP, *The Cost of Clarity* will be launched on May 5th 2017. Produced by Gareth Leach and mastered by Brad Boatright at audiosiege. This much anticipated studio offering will be accompanied by videos for each track.

2017 will find DIPLOMA touring Australia with an eye on shows in Asia by years end.
